LIVE UNITED

GIVE.

Your United Way is focused on the building blocks for a good life. The workplace campaign or an individual gift is the easiest way to invest in your community. You can direct your contribution to any nonprofit agencies or to the Community Impact Fund to be distributed to our community partners. As always, United Way will only process your contributions to qualified 501(c)(3) organizations.

*Be part of improving the lives of
children, seniors and families in
Nevada County.*

ADVOCATE.

You can make change happen with your voice. Get informed. Tell your friends. Write a letter to the editor. United Way of Nevada County needs people who are passionate about our children, families and health, to make some noise.
